### Cal OES SOUTHERN REGION

#### **Opportunity Incident, Military Plane Crash, March AFB, Riverside County**

On 05/16/19 at 1553 hours, the California State Warning Center (CSWC) was notified of an F-16 crash which occurred just outside of March AFB in Riverside County. The F-16 is part of the 114th (South Dakota) Fighter Wing assigned to the 144th Fighter Wing (Fresno) and temporarily stationed with the 163rd (March AFB).

- The plane crashed in the vicinity of an off base warehouse. UPS confirmed the building is not a UPS warehouse.
  - Fire sprinkler system in the warehouse activated; there is no active fire
- The plane was carrying ordnance, as it was part of an Alert Mission, under NORTHCOM control.
- CALFIRE has command of the incident and is in Unified Command with base personnel.
- CHP closed off northbound and southbound I-215, between Cactus and Ramona Express Wy. In addition, Moreno Valley Sheriff's Substation closed roadways and is conducting scene security; it is unknown when roadways will reopen.
- The 452nd Airlift Wing at March Air Reserve Base has activated their Crisis Action Team
- The pilot was transported and received at Riverside University Health Systems.
- It's unconfirmed that five (5) or more patients may have been decontaminated then transported to the hospital.
- The F-16 has live munitions on it, unknown payload; The Air Force Munitions Team may not be able to remove the ordnance until 05/17/19.
- Numerous businesses in the area, mostly shipping companies, have been evacuated. No residences have been evacuated and none are anticipated.
- Riverside Emergency Management Department (EMD) has NOT been requested but the Riverside County Emergency Operations Center manager with Riverside EMD has been in contact with the base Emergency Command Center.

# CALIFORNIA 911 SYSTEM

CA 911 Outages		
Northern California	Central California	Southern California
911 Outage	No 911 Outages	No 911 Outages

## 9-1-1 Outages/Remote/Community Isolations:

### **Shasta County Sheriff's Department, Bella Vista, Shasta County (Update)**

On 05/16/19 at 0835 hours, the California State Warning Center (CSWC) received a report from the CA 9-1-1 Branch advising that approximately 1,363 customers served out of Bella Vista, Shasta County, were unable to call 9-1-1 via landlines due to a fiber cut.

- Wireless calls have not been impacted.
- Technicians are onsite troubleshooting to find the location of the fiber cut.
- At 1155 hours, Frontier Technicians reported a tree fell on power and telecom cables resulting in the outage.
- Splicers are working to restore service.
- Estimated Time of Restoration (ETR) is unknown.

## Service Interruptions:

- None reported.

# **WEATHER OF CONCERN**

## **NORTHERN CALIFORNIA**

- A strong, late season storm will continue to bring significant snowfall accumulations to the higher elevations of the Northern Sierra Nevada and Mt. Lassen area.
- Expect travel delays and chain controls if going through the higher passes of the Northern Sierra Nevada tonight through early Friday morning.
- Once this storm exits the region late Friday morning, another system is forecast to impact the mountains over the weekend.

## **SOUTHERN CALIFORNIA**

- An unsettled pattern will keep cooler temperatures along with bouts of gusty winds and light precipitation chances across the region into next week.
- Gusty winds and thunderstorms expected
- The low center will continue tracking east across Northern Nevada, with calmer conditions expected Friday.

# WEATHER KEY POINTS

**05/16/19 - 05/22/19**

## Thursday

- Widespread precipitation and cooler conditions will continue across much of the state today.
  - There is a threat of thunderstorms, especially in the Inland Region.
    - **While these thunderstorms may produce brief periods of moderate to heavy rainfall, the threat of significant flash flooding or debris flows is low, as rain rates are currently expected to remain below debris flow thresholds**
  - Snow levels will be around 5,000-6,000 feet, with significant impacts to travel likely in the Sierra due to accumulating snow, gusty winds, and reduced visibility
- Gusty winds expected across Southern Region and portions of Inland Region.

## Friday-Sunday

- Friday will be relative break in precipitation, though some isolated to scattered showers are still possible
- Another storm system will move into the Coastal and Inland Regions Saturday, with cooler weather and showery conditions spreading south and lingering into Sunday
  - Additional thunderstorms will be possible across mainly the Inland Region Saturday into Sunday
- Gusty winds will continue across portions of Southern Region.

## Monday-Wednesday

- The weather will remain active into the beginning of next week, especially across the northern half of the state, with additional storm systems moving across the area.

# CALIFORNIA WEATHER IMPACTS

# PRECIPITATION FORECAST

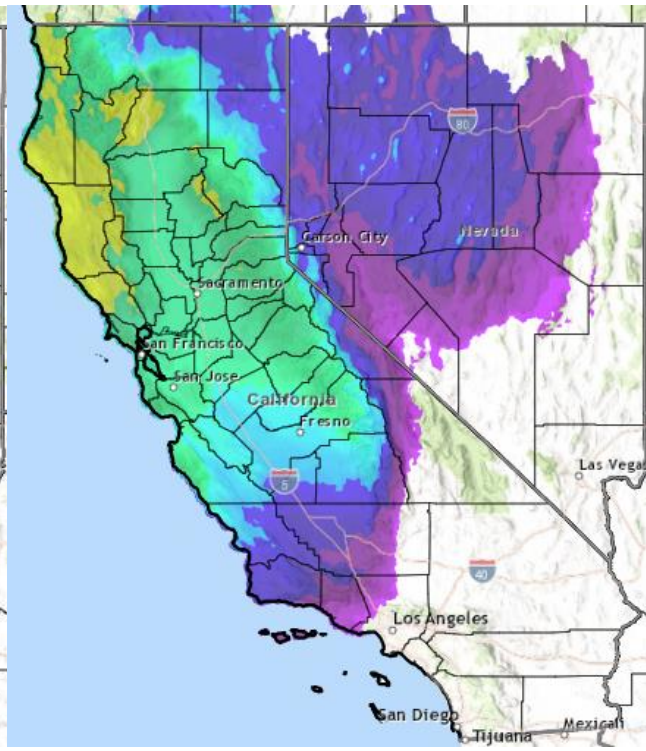

05/16/19 - 05/18/19

Thursday and  
Thursday night

Friday and  
Friday night

Saturday and  
Saturday night

**Precipitation (inches)**

# **WEATHER OUTLOOK**

**05/21/19 - 05/29/19**

## **6-10 Day Outlook (May 21- May 25)**

### **Temperatures**

- Below average temperatures likely across the entire state

### **Precipitation**

- Above average precipitation likely statewide, with best confidence across northern California

## **8-14 Day Outlook (May 23 – May 29)**

### **Temperatures**

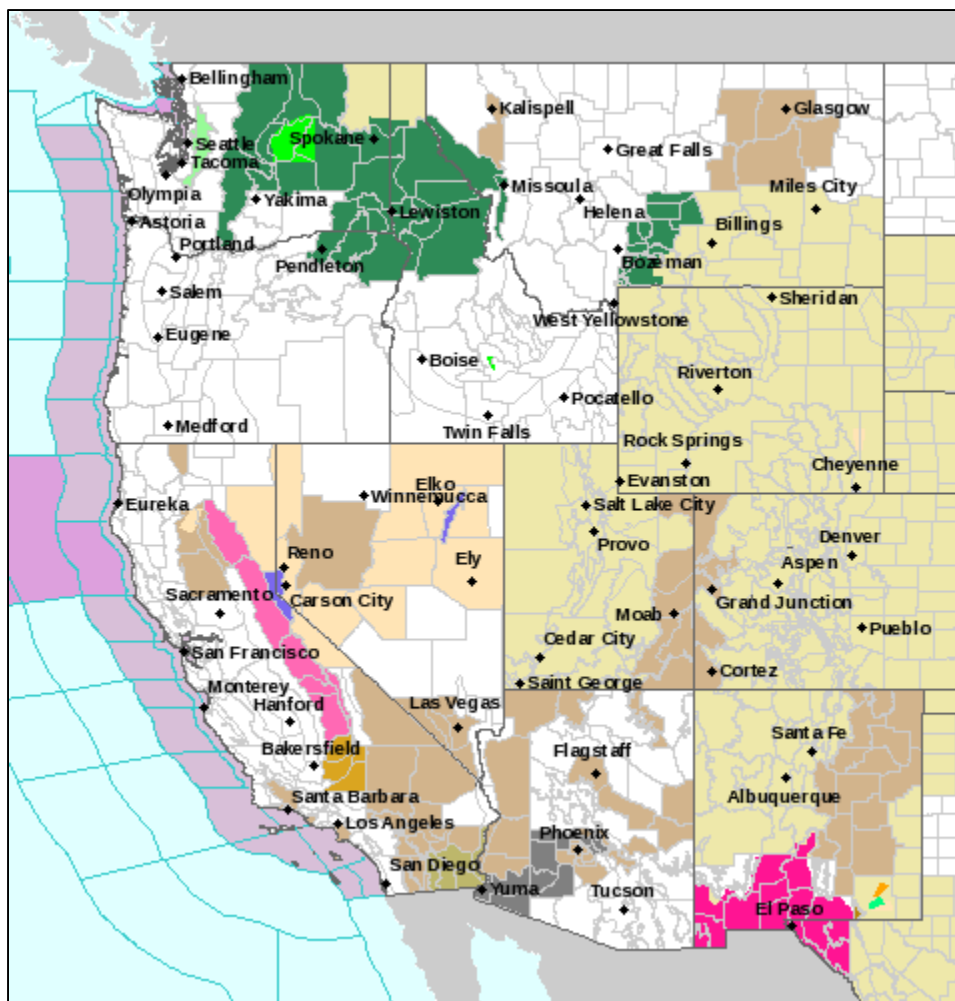

- Below average temperatures favored across much of California, highest confidence of below average temperatures inland

### **Precipitation**

- Above average precipitation favored across most of the state

# Cal OES LAW ENFORCEMENT MISSIONS

## Cal OES Law Missions

- **2019-LAW-1719, 05/15/19, 2337 hours:** Notice provided from the Air Force Rescue Coordination Center (AFRCC) of an overdue/missing aircraft that had left Santa Ynez Airport in Santa Barbara County on 5/15/19 at 1330 hours and had not returned. The pilot's friend, calling from Alaska, informed Santa Barbara Sheriff's Office (SO) of the situation around 2030 hours after the pilot did not show up at 1600 hours to meet another pilot. Santa Barbara SO launched their helicopter to search with lights and night vision goggles (NVG's) in the last location given by the pilot's Spidertracks tracking device. The pilot's friend contacted the AFRCC at 2330 hours. The AFRCC contacted the Federal Aviation Administration (FAA) and Civil Air Patrol (CAP) to begin a mission, then contacted the California State Warning Center (CSWC). Contact was made by the Law Duty Officer (LDO) with the AFRCC, the Santa Barbara SO Incident Commander (IC) and CAP IC – all assets are involved are coordinating. Radar forensics location was provided to the LDO from AFRCC and given to Santa Barbara SO IC. Due to the storm and darkness, searching suspended until 0530 hours on 5/16/19. **Update, 05/16/19, 0700 hours:** Air assets still grounded due to weather. Santa Barbara SO Search and Rescue (SAR) ground searchers are within ¼ mile from the area where the aircraft possibly crashed.  
**MISSION ONGOING**
- **2019-LAW-1669, 05/10/19, 1449 hours:** Request from San Bernardino Sheriff's Office (SO) for Human Remains Detection (HRD) K9 mutual aid assistance with an ongoing search of Victorville Landfill for human remains. The requested days are for next week on the 14<sup>th</sup>, 15<sup>th</sup> and 16<sup>th</sup>. Request sent to the State Canine Coordinator. **UPDATE: 05/11/19:** San Bernardino requested to add on one additional day for 05/13/19. **UPDATE: 05/12/19:** K9 teams have been secured for 05/13/19 through 05/15/19 – still working on finding a team for 05/16/19.  
**MISSION ONGOING**

# Cal OES MISSION TASKING

## Cal OES Missions

- Nothing significant to report.

# *Cal* OES
